

Neil Gaiman: An Incomplete Bibliography

Updated and expanded from Lance “Squiddie” Smith’s 1997 and 1999 editions by Davey Snyder, but still (and probably evermore) not quite caught-up. Grateful acknowledgement is made of the following additional sources: The Locus Index to Science Fiction [1], the Michigan State University Libraries Comic Art Collection index [2], Shield Albright [3] (for persnickety proofreading as well as source notes), Peter and Michael Karpas [4], and *the dreaming* [5]; and to Alice N.S. Lewis for style advice. See end note for use permissions. – dms, 1 October 03

This bibliography is generously hosted on-line by DreamHaven Books & Comics at <http://www.neilgaiman.net/bibliography.html>, and is updated there as schedules allow.
